## Winter Scout Camp Kit List

Warm Sleeping bag and blanket (If your sleeping bag is not a winter bag, use two sleeping bags and add a warm blanket or two)

Lots of socks

Toque (a warm winter hat)

Two pairs of Mitts (gloves are not very warm so you need to bring mitts too please)

Winter jacket and snow pants

Spare pants, t-shirt, sweater, long underwear

Sleeping clothes

- ◆ You need to change completely before bed or you will be cold all night long!
- ◆ Pack a complete set of clothes for each night and store in separate plastic bags
- ◆ The night kit should have, long underwear (or similar), socks, t-shirt, sweater and a hat

Winter boots and spare liners or a second pair of winter boots (No shoes or steel toes!)

Plastic Bags (They are great to use in your boots if your boots get wet)

Hand warmers (Not necessary but they are great to have, you can put them into your sleeping bag before bed)

Your Chair or stool (Winter is not a good time to sit on the ground)

Flashlight and batteries

Snow goggles or sunglasses

Knife

Mess kit (fork, knife, spoon, cup, plate, kit bag)

A small towel

Toothbrush and other personal hygiene stuff

Troop necker

Other stuff you might want to bring if you have them

Snowshoes or cross country skis (if you have them)

Water proof matches

Winter survival kit if you have one

Notes: Dress in layers so if you get warm you can take a layer off. Ask any and all questions or concerns you may have, we will happy to help. Remember you need to stay warm and dry.
